Let's Get Started: Important Summer Information!

PLEASE READ!

Dear Parents,

Summer is almost here, which means it's already time to get your child signed-up for summer camps! Inside you'll find important information regarding all things summer – including a listing of all of our summer camps – complete with descriptions, cost, and age limits.

Enrollment for summer camps officially opened online on [January 3, 2019](http://www.LincolnRec.net) on our City of Lincoln Recreation website (www.LincolnRec.net)!

Our summer camps will begin the week of June 17th and will run for 8 weeks straight. This year we are offering our regular Kids Kamp Program, now called Camp Lincoln, and in addition to our Camp Lincoln Program we will be running over 90 specialty camps all out of one location! The specialty camps will run in two sessions: a morning session beginning at 9:00 a.m. and an afternoon session beginning at 1:00 p.m. each day. Each camp will run for one week. You can sign-up for an AM session, a PM session, or both... whatever works for the needs of your child(ren). Please note that if your child is signed up for a specialty camp and a half-day of Camp Lincoln, they will need to choose between attending their specialty camp OR the field trip on Thursday. Each camp has a limited capacity of children. Once camps reach their capacity, they will close. So get them signed-up early!

To enroll your child in summer camps:

1. Access our website by visiting www.LincolnRec.Net, click "Register for Kids Kamp" and that will link you right to our Kids Kamp Registration Software.
2. Call and we can get you registered over the phone at 916.434.3220.
3. Stop by our office at 2010 First Street, Lincoln, CA 95648

Thank you for the privilege of being a part of your child's summer! We are so excited to have a fun & successful summer at Kids Kamp!

PARENT INFORMATION

Parent Orientation

Meet your 2019 Summer Kids Kamp Staff, pick up your Kids Kamp T-shirt and learn more about what Kids Kamp has to offer this summer! PLUS, meet some of our instructors that will be teaching camps this summer. Parent Orientation is **Friday, June 14th** from 5:00pm—6:30pm at the Lincoln Community Center!

Pool Days

Camp Lincoln: Every Monday is a Pool Day! We will play games and activities in the morning and head over to McBean Pool from 2pm—3:30pm. Campers will need to either come ready in their swim suits or bring them to change into if they would like to go to the pool. Pool days are not required and campers may choose to stay back at camp if they wish.

Splish, Splish, Splash and Swimming Camp will both be held at McBean Pavilion and McBean Pool. Campers will visit the pool each day from 2pm - 3:30pm!

Most swim days are full of sunny weather so please make sure your camper has spray sunscreen so extra can be applied. Hats and extra drinking water are good ideas as well. Swim days are organized in a “free swim” style. Lifeguards are on duty, but swim lessons are not provided during camp hours. If your child is not a strong swimmer please let us know so we can make sure he/she stays in the shallow end of the pool or the spray park. Please note: life preservers, water wings, and other inflatable items are not allowed in the pool.

KidCheck

KidCheck
SECURE CHECK-IN FOR CHILDCARE PROFESSIONALS

We are excited to announce that we are continuing to use the KidCheck check-in software. With KidCheck, you can sign your child(ren) in by phone number, or scan card to make check-in quick and easy! KidCheck makes check-in faster and easier and takes just a few simple steps to set-up. To set-up your KidCheck Account head on over to www.go.kidcheck.com. You will want to make sure to add anyone who will be picking up your child and all those that are NOT authorized to pick-up your child. Please note, our KidCheck software is different from our registration software! If you would like, you may download the KidCheck App that allows you to edit your family, add additional pick-up people and you can even check-in to see what time your child was dropped off, etc.

PARENT INFORMATION

Illness/Injury

The health and safety of each camper is our number one priority. Our staff are trained in emergency first aid and CPR. If an illness or injury happens during the camp day, we will provide first aid as needed. Parents will be notified of minor injuries at the time of pick-up. For more serious injuries we will make every attempt to contact the parent/guardian using all numbers provided during registration. It may be necessary for you to pick-up your child from camp. If an injury warrants, we will call emergency personnel and have the child taken to the nearest hospital. Please view the parent handbook for more details in regards to illness, injury or medications.

Behavior, Conduct and Discipline

Our day camp is active and camp is more fun when campers fully participate in all daily activities. Because we have planned for campers to participate in the majority of activities, we do not have staff to watch those children who choose not to participate in group activities. If a camper consistently chooses not to participate in the camp, the Coordinator will discuss with parents whether future participation in the camp program is right for the child.

All campers are expected to comply with staff direction as well as treat themselves, staff, fellow campers and guests with respect. Positive reinforcement and redirection will be used whenever possible. When dealing with inappropriate or unacceptable behavior, staff members will evaluate the situation with the child in order to find a better manner of behavior and/or a different way of handling the situation. The camper will be given time away from other participants so that he/she may gain self-control. Once the issue has been resolved, the child will be able to rejoin the group and activities. If the problem is not resolved, the site coordinator will contact the parent/guardian to discuss the situation. If the problem persists, the parent/guardian will be notified and the child must be picked-up within one hour. A discipline report may be placed on file. A continuation of the problem will result in dismissal from the program.

For the good of the program, the site coordinator has the right to dismiss a child from the program who willfully disobeys camp rules or whose behavior towards others is deemed unacceptable. Campers may be dismissed from the program for physically abusing or harassing another participant or staff member, leaving camp without permission or repeated use of inappropriate, racial or abusive language. Children dismissed from the program for any reason may not be re-admitted for the remainder of the program and a refund of fees paid will not be given. It is hoped that parents and campers understand and support this position.

Frequently Asked Questions

Here are some frequently asked questions that will help answer some of your Kids Kamp questions.

When I register through ActiveNet Camps and Class Manager, do I need to create a new account?

If you have not taken one of our Kids Kamp programs in the past, then yes, you will need to create a new account.

How do I add before and/or after care?

After you have added the days/weeks to your cart, hit continue and you may add on the extended care option at that point.

If I have more than one child I need to register, how do I do that?

ActiveNet Camps allows you to select the quantity that you would like to add to each week then during check out the software will ask you which member of your family you would like to add to each week.

Do I need to create a KidCheck Account even if I registered through ActiveNet?

Yes. To help streamline our check-in process, we ask that you create a KidCheck Account. Please be sure to add anyone that may be picking up your child.

If I register for a specialty camp in the morning, can my camper attend Kids Kamp in the afternoon?

Absolutely! Our Kids Kamp program is designed to work around your schedule!

Are scholarship funds available?

Yes. Scholarship forms can be found on our website at www.lincolnrec.net. Once completed forms must be turned in and approved through our office located at 2010 First Street, Lincoln. Please allow two weeks for processing.
